

## **TIMELINE FOR PHASE COMPLETION**

One must understand that although such a hefty process takes time, there needs to be a limit to the time given so the peace process may act as both the carrot and the stick.

Attention will be paid not to timelines, but to performance benchmarks (timelines will serve only as reference points).

### **Phase 1**

12 months

### **Phase 2**

The return of refugees has no time limit but a recommendation for putting the process into action should take no more than 6 months

18 months for total phase completion

### **Phase 3**

12 months

### **Phase 4**

UN decision – 3 months

### **Phase 5**

12 months

### **Phase 6**

12 months (removal of the separation barrier should be completed within the time taken to construct it)

### **Phase 7**

1 month
